

Fax Order Form

How to place your order

Fax your order to (206) 222-2554.

Once we process your order, we will email you a confirmation (be sure to include a valid email address). **Please note that the shipping cost you enter on this form is an estimate only. Actual shipping costs will be included in your order confirmation, and your order is not final until it has been processed by us.** Your shipping address must match a confirmed address based on the account information you have registered with your credit card company.

How to estimate your shipping costs

Place items into your shopping cart by hitting the "Buy" button (you can remove them later). On the next screen, enter your ZIP code and click "Update Totals". Your shipping estimate will be calculated, which you can include on this form. If you are unsure about how to do this, leave it blank and we will calculate it for you.

If you have any questions, please email us at info@pokerpincher.com.
